

2009-10 Service Summary

We are here for one reason: Help you maximize your free time by "Having Fun on the Water". Our commitment to you is to always make boating easy, affordable and safe at Gage! Our professionals are trained to fix virtually any boating problem that may arise. There is a reason we have been around since 1873. Find out what it is like to be taken care of by the best!

OPTION #1 – Gage Total Service Plan – "Service Made Simple"

After years of people asking us to "Just do it & make it right", we came up with an easy solution designed for those who appreciate preventative care. We eliminate the guesswork and minimize the chances of delays in the spring and breakdowns in the summer. We review your boat service history and treat her like she was our own. This includes Storage, Winterization, Spring Commissioning, Annual Hull Care and other routine maintenance or repairs that require less than 10 hours of labor. We will only bother you with estimates for major repairs.

OPTION #2 – Ala Carte Services

If boaters do not store their boat with us or only want limited services, they may select desired services from the ala carte menu.

A) Storage Service (Gage Storage Service includes up to \$800 in "value added" services)

- Haul out in the fall and launch in the spring - no charge. (\$100-300 value)
- Pressure washing of normal algae growth from hull. (\$75 for non-storage boats)
- Trailer or cradle storage for the summer season. (\$150 value)
- Hull inspection and assessment of service to be performed in the off-season. (\$100-200 value)
- Light Cleaning of your boat before delivery in spring. (\$150 value)

Indoor Winter Boat Storage

PWC - \$525	18' - \$875	20' - \$975	22' - \$1075	24' - \$1175	26' - \$1325
17' & Under - \$795	19' - \$925	21' - \$1025	23' - \$1125	25' - \$1225	27' - \$1495

Boats 28' and over in length are \$7.45/square ft. Boats 9' wide and over may have additional charges.

Pick-up/Delivery

\$125/Hour by land or water. Boats without a key or a non-functioning lift/hoist will have an additional service charge.

Boat Haul Out/Launch Fees (Free for storage customers) (Boats not picked up within 2 weeks of completion of work: \$8/day storage)

- Haul out using ramp \$ 3/ft Haul out boat using Travel Lift \$ 6/ft Haul out at other lakes +launch & ramp fees

B) Fall Engine & Winterize Services

Annual Engine Winterization (please add \$49 for fuel injected engines) \$179

- Visually inspect & run to check for abnormal conditions
- Check all fluids for contamination and proper levels – adjust if necessary
- "Fog" engine with lubricant to protect internal parts and prevent rust & corrosion
- Drain cooling system per manufacturers' procedures to prevent freezing & cracking
- Flush anti-freeze through inaccessible parts of the engine as further protection
- Drain exhaust system/mufflers as necessary for freeze prevention
- Add fuel stabilizer as added protection • Test & disconnect battery • Inspect propeller for damage

Full Non-Toxic Antifreeze Winterization (+\$ 89)

- Drain plugs and hoses left installed. Engine filled with antifreeze

Annual Stern Drive Inspection & Service (mandatory for all I/O boats per manufacturers specifications) \$149

- Remove & inspect stern drive for any wear & tear and possible leaks
- Check gear case levels & test for contamination – vacuum test & refill if necessary (extra)
- Inspect bellows, boots, hoses and components for defects that can flood drive unit
- Lubricate gimbal bearing, u-joints and shift cable. Grease all fittings to prevent unnecessary damage
- Check engine and drive alignment per manufacturers' specifications to avoid wear
- Reinstall stern drive with new mounting gaskets and o-rings to prevent leakage

Premium Stern Drive Service (recommended at least every other year) \$ 98

- Drain gear case of old fluid, properly dispose & refill
- Vacuum and pressure test seals of upper and lower gear gases
- Refill gear case with factory gear lube. Spray engines with factory approved lubricant.
- Clean water intakes & inspect zinc anodes – replace as necessary
- Remove prop from shaft, check for fishing line that could cause leaks and grease shaft

PWC Winterization \$139

Outboard Motor Winterization • Under 40 hp \$89 • Over 40 hp \$129 • EFI/4-Stroke/Verado +\$ 59

C) Other Winterize Services

Pump Head	\$35	Ballast (per tank)	\$45	Sailboat Step/De-step	\$7/ft. length
Winterize Head System	\$40	Heater	\$50	Remove Sail/Rigging	\$T&M
Winterize Water System	\$65	Generator	\$115	Fresh Water System w/heater	\$95
		Air Conditioner	\$75	Ice Maker	\$35

Please Note: Each boat is unique: Mechanical services are for labor; parts/materials are additional. Battery care \$25/battery

D) Winter Hull Cleaning & Shrink Wrap

Pressure Wash (free for storage customers)

\$75

Hull Inspection & Review (free for storage customers) – Annual inspection for possible damage and assessment \$100-200
Acid Cleaning - This is an important step in the care of boats and must be done before other hull maintenance. (All boats will be pressure washed & acid cleaned unless specifically instructed not to do so. 30% surcharge if not performed at haul out)
 • Standard Acid Clean (typically boats kept in the water) \$14.95/ft
 • Light Acid Clean (typically boats on lifts, hoists or kept out of water) \$9.95/ft
Shrink Wrap • Boats under 9' wide: \$15.95/ft • Boats over 9' wide and Pontoons - quote

E) Annual Hull Care & Detailing

We have unique in-house capabilities for structural fiberglass repair, welding, woodwork, varnish, two-part epoxy painting, gel coat and professional compound buffing to make your boat look like new. Wood boats and sailboats typically get estimated, fiberglass boats as noted:

Deluxe Boat Cleaning – Exterior wash, interior cleaning excluding compartments, clean glass and vacuum. **\$1.50-2.00/sq.ft.**

Expert Annual Hull Care w/Full Detail & Compound Buffer Wax **\$3-5/sq.ft**

(Should be performed most years depending on age and storage location)

- This type of work is usually only done at a professional fiberglass shop – but we have one in-house!
- This covers the entire boat – when you like it to look great inside & out
- Compound wax all gel coat from waterline up, including hatches, covers, etc.
- Polish all metal and apply corrosion block to metal fixtures • Clean all windows and plastic curtains
- Apply protective coating to hard plastic • Scrub all vinyl cushions & apply protective coating. Clean mooring covers.
- General cabin/interior wipe down • Price varies depending on age & condition of boat

Touch Up Service – Inspect & perform minor repairs (scratches, divots, loose rub rail, feature stripes, etc.) This can be added to either the Deluxe Boat Cleaning or Expert Annual Hull Care. Not to exceed \$350 unless approved in advance.

F) Spring Commissioning – Making your boat ready for the boating season

Limited (the bare minimum for most boats) **\$259**

- Install all drain plugs & hoses • Check all fluid levels: engine, stern drive, power steering • Check electrical, cooling & fuel systems
- Inspect drive belts and hoses • Check trim & tilt operation for faults • Verify normal shift & throttle controls for ease of operation
- Inspect engine mounts • Test & inspect battery, clean connections – if low, charge or replace • Replace fuel filters
- Inspect required electrical accessories: bilge pump, blower, and navigation lights. • Steering system check (wheel & component parts)

Standard - w/engine tune & oil change (should be performed most years) **\$489**

(Includes everything in the Limited Spring Commission, plus all of the following :)

- Oil & filter change - check for leaks
- Full lake test – the only way to truly know how the systems perform • Install fresh spark plugs if necessary
- Clean Flame arrestor, set idle speed, adjust timing and dwell as applicable
- Distributor service, install new sensor wheel, rotor, distributor cap, points & condenser
- Fuel injected engines connected to diagnostic equipment to check faults & record data for controls, instruments, hardware & accessories
- Check all instruments for proper functioning • Check all lights function: running lights, interior lights, instrument lights, etc.
- Secure ignition switch • Insure lifts rings are secure and lock nuts are tight • Insure deck hardware is secure to avoid accidents or damage
- Inspect covers and convertible top for faults and missing fittings or snaps

Premium - Adds Water Pump Impeller Service (should be performed every other year) **+\$199**

By proactively replacing this every other year, you greatly reduce the chance of untimely overheating that can occur very quickly and literally melt all of the hoses, bellows and tubes in your engine.

Inboard Mechanical Services

Inboard Drive Shaft / Engine alignment Inspection (recommended every other year) **\$129**

Service includes removing boat components to access drive shaft, inspecting drive for straightness, inspecting strut and strut bushing, tighten coupler bolts, reinstall components. Note: If shaft must be realigned it is billed hourly.

Transmission / V Drive Service (strongly recommended annually for warranty compliance) **\$159**

We bring the engine to operating temperature, inspect transmission or V-drive, remove old fluid and refill.

G) Prop Maintenance & Repair - Our professionals will assess all props for any damage for free. If it is damaged, we will remove, replace and send out for repair unless instructed specifically not to. \$55 (R/R) + Prop shop charges.

H) Trailer Service – We recommend that to comply with state law, you have our staff at a minimum perform an annual inspection and perform routine maintenance. Mandatory for In/Out customers. (Annual Inspection will be performed unless instructed not to do so.)

- Annual Inspection Service: check lights, check tire pressure & condition, grease wheel bearings & coupler \$99
- Major Maintenance: Brake repair, repack bearings, replace failed parts By estimate

I) Other Services - Please enquire about any other service we can assist you with.

- Pier or Lift Services
- New or Used Boat Sales
- Private Boat Charters
- Bottom Painting
- Teak Care/Oil
- Sailboat Work
- Canvas/Upholstery Repair
- Stereo Upgrade
- Name or Reg. # Painting
